

Warm summer greetings from your neighbors in Beacon Hill!

New Hotspots Heating Up the Hill

We've been delighted this summer to welcome some amazing new (and returning) businesses to our neighborhood. Just steps from the light rail station, Patxia Paraiso and her family are serving up the incredible Filipino food that we've been enjoying for years from their [CheBogz](#) food truck - now in a beautiful and inviting brick-and-mortar location. Right next door, Oscar Rodriguez's beloved [Baja Bistro](#) is back and better than ever. Just down Beacon Avenue in the former Petite Soif space, [Fable](#) will bring a cozy all-day café to the neighborhood. If you haven't already stopped by these great new spots, find out what you've been missing!

¡Pregones! Singing the Praises of our Latinx-Owned Small Businesses

Thanks to everyone who joined us on May 21 at Plaza Roberto Maestas for the debut of original musical works hyping up five of our great Latinx-owned Beacon Hill businesses. [The Station](#), [Cafetal Quilombo](#), [Recetas de Abuelita](#), [Antojitos Lita Rosita](#), and [Beacon Hill Nutrition](#) served up some incredible food throughout the day, and local artists [Seattle Fandango Project](#), [Correo Aéreo](#), [Hijos de Agüeybaná](#), [Alfredo Chávez](#), and [DE CAJÓN Project](#) brought an amazing range of musical influences from across Latin America and the Caribbean to their compositions. Check out the link below to see the awesome videos produced by Fernanda Bruno of [Stories to Feel](#), showcasing the music, food, and community that we enjoyed celebrating together.

Beacon Hill Bucks: Help New Neighbors Find Your Restaurant!

We want new Beacon Hill residents to discover the great small businesses that make our neighborhood such a wonderful place to live, eat, and shop. This fall, we'll distribute \$10 "Beacon Hill Bucks" vouchers to residents of new and recently developed apartment buildings in the neighborhood. They can use these vouchers like cash for a \$10 discount on their bill at participating businesses, and then BBA will reimburse the full \$10 value of all redeemed coupons. If you haven't already signed up to participate, please [contact us](#) by August 15 so that we can include your business!

Street Safety Project Update on Thursday

A team from the Seattle Department of Transportation will be in the neighborhood on Thursday, August 3 from 5:30pm to 7:30pm for an open-house style public meeting on the the Beacon Ave S and 15th Ave S Safety Project. With the project reaching the 60% design milestone, this meeting will provide an opportunity for community members to ask questions, hear design updates, and plan their new bicycle commutes! See you at the Beacon Hill light rail station on Thursday evening.
