

Holiday Happenings on Beacon Hill

Wishing all a warm and loved holiday season!

Celebrating New Artwork in Beacon Hill Small Businesses

This fall through our "Creative Connections" project, we matched ten small businesses across Southeast Seattle with ten local artists to create new works of art that celebrate the passion, craft, and human stories behind the entrepreneurs helping our neighborhoods thrive. Here in Beacon Hill, our beloved Filipino restaurant CheBogz worked with Hoa Hong to create beautiful new murals for their dining space, and the delicious new spot Tenoch Mexican Grill worked with Candida Delgadillo to create an amazing mural for their bar.

If you haven't seen these new artworks yet, please stop in these businesses to check them out and grab a bite. You can see all the artwork created through this project by visiting our [online exhibition](#), or check out our [video playlist](#) highlighting the creative process. Thanks to the Seattle Office of Arts & Culture for sponsoring this project! ☐☐

Join Us for Our Year-End Celebration!

Beacon Business Alliance Rendezvous
Sunday, Dec. 17th, 4:30pm - 7pm
RSVP for details

Beacon Hill community! We invite you to celebrate with us. This will be a casual gathering to celebrate small businesses on the hill, learn about BBA 2023 accomplishments, and touch on what we've got in the mix for 2024!

This is a private event. Happy hour vibe. Limited spots.

RSVP before Friday, December 15th and we'll send you details.

Tidbits re Beacon Hill's New and Returning Businesses

We are thrilled to share recent and breaking news about our small business community.

You may have noticed the new signage at 3007 Beacon Ave South, where two beloved businesses that got their start through El Centro's vendor program will open indoors at this spot in the coming weeks, depending on the permitting process. The Rivera family took over **Outsider Pizza** on the Roberto Maestas plaza in 2011, and **Recetas de Abuelita** began catering for popups and festivals in 2019 - serving us warm meals through sleet and sun. [Follow their Facebook](#) to stay in touch.

Beacon Hill Chiropractic will be opening its doors soon at 3226 Beacon Ave S., across from Victrola Coffee Roasters and El Quetzal. While we are waiting for the doors to open you can [learn more about their services here](#). (note: Beacon Hill's **Renew Physical Therapy** needed more space and has opened its new location, 4351 15th Ave S. across from the old McPherson's Fruit Stand).

The [foodie news is already out](#) that **FAMILY FRIEND'S** doors are open, with Chef Elmer Roderick bringing new life to 3315 Beacon Ave S. (formerly By Tae). Everyday. Food from 5pm-9:30pm.

Little Thing — it's all about Wine! Opening on Beacon Hill in 2024! You can get to know the menu of offerings even before they open sometime next spring, because their [Wine Club is online!](#)

It's easier than ever to find local gifts this holiday season!

During this family-gathering and gift-giving season we hope you'll choose local.

... and we can help with that!

The ESES Marketplace is a free online resource where you will find Southeast Seattle retail, food, art/artisans, and service-oriented organizations - search by neighborhood, by business, or by product. You'll be able to order gift cards from your favorite restaurants, bars, and cafes, or find food products, home goods, apparel, and lots of other gift ideas from local shops. And you can discover great products from home-based businesses that you might not even know are based here in the neighborhood! There's something great just around the corner for everyone on your list!

City of Seattle

Expanded Eligibility for Storefront Repair Fund

If your business has experienced storefront damage since March 1, 2020 - including broken doors, locks, fences, gates, signs, and broken or etched windows - you may be eligible for \$2,000 from the Storefront Repair Fund. The City of Seattle recently expanded the eligibility for these grants. We encourage you to apply, and to reach out if you need help completing your application.
